

Unanet—The One Software for Projects, People & Financials

Over 1,000 government contractors trust Unanet to help their business plan, track, manage, and grow! Our customers tell us that Unanet is extremely functional, easy-to-use, and highly adoptable by their organizations. Unanet drastically reduces G&A by having one system that all stakeholders like and want to use. Additionally, Unanet has unparalleled customer support!

Customers of all sizes depend on Unanet to drive efficiency, insight and increased margin in their business. Unanet will scale with your business as you grow, and we believe in shared success with our customers, i.e. Unanet succeeds when our customers succeed!

One Software for Projects, People & Financials

Unanet and Aronson are pleased to offer VIP members the following discounts on Unanet cloud subscriptions for customers seeking outsourced accounting services OR customers who have internal accountants:

- Unanet Project Tracking Financials, including integrated project management, project accounting and financials, is available at a 20% discount.
- Unanet Project Portfolio Financials, which adds pipeline management, forecasting, resource management and analytics to Unanet Project Tracking Financials, is available at a 25% discount

For more information, contact Unanet at info@unanet.com or call 703 689 9440.
