

ARMING VETS TO WIN IN THE FEDERAL MARKETPLACE

★ ★ ★ ★ ★

SUPPORT THE VIP COMMUNITY

VIP Arms Vets to WIN in the federal marketplace by teaching business owners how to compete, comply, and perform. VIP offers five specific curriculums designed to accelerate success and ensure each graduate company is procurement ready. These programs are offered at no cost to all service-disabled veteran-owned and veteran-owned small businesses who qualify. The willingness of our veterans and their families to sacrifice so much for the wellbeing of our country has earned them our enduring gratitude. VIP will never ask a veteran to pay for services.

With the support of the Montgomery County Chamber Community Foundation and our dedicated government and corporate partners—SBA, Lockheed Martin, and the State of Maryland —VIP has trained more than 2,000 veteran-owned companies and continues to train 250 new companies each year.

In addition to our partners, VIP also depends on the support of businesses who wish to support the veteran business community, and VIP Alumni who pay it forward for future veteran companies. When you support VIP, you don't just support one veteran-owned company, you support all veteran-owned companies working to accelerate their success; and the community working together to support them.

[Click here](#) to donate a one-time denomination of any amount to VIP. Your donation will Arm Vets to WIN more government contracts by supporting and expanding the cutting-edge veteran entrepreneurial programs that have empowered our graduate companies to be some of the fastest growing small businesses in the nation.

CORPORATE PARTNER

VIP seeks, nurtures, and maintains partnerships that provide unique opportunities and benefits for veteran-owned small businesses in federal procurement. VIP's value is not just the knowledge our graduates gain through the training programs. It is also the relationships built within the VIP Community. As a hub of innovative market-based instruction, VIP's corporate and community partners rely on VIP to provide continuing education, resources, and thought leadership to the national veteran business community. In return, VIP graduate companies benefit from the unique opportunities, mentorships, teaming opportunities, and other marketplace experiences that accompany our partnerships. Contact VIP National Director, Barbara Ashe, at bashe@nationalvip.org for more information.
